FOOD ALLERGIES

If your child has any food allergies and you wish to discuss their needs please contact the school office. A meeting can be arranged with the school Head Cook, where needs can be discussed and an allergy record/log made. We would also like to remind parents that due to nut allergies we ask that whole nut items are not included in home packed lunches. Thank you for your support in this matter.

WATER BOTTLES, INDOORS & PE KITS

May we please remind all parents/carers that children in Years 1 - 6 require their P.E Kit in school from a Monday. We recommend these are taken home to wash on a Friday. There are also many children who forget to take home their water bottle to clean each Friday. Children are regularly encouraged to drink, especially during warmer weather so it is essential that children have a water bottle available in class. We ask these are labelled to avoid confusion. We also change into indoor shoes, please remember to send these into school for your child to wear whilst in school.

FLAMBOROUGH & PIRATE SHIP TRIP

On Friday 22nd September Year 1 will visit Flamborough North Landing after a stop at Bridlington Harbour where we have arranged a trip on the Pirate Ship!
 Letters have gone out but we would like to remind parent/carers to ensure their child has a waterproof jacket and sensible footwear. If you have not requested a school packed lunch, please remember to send their home packed lunch with them. The coach will leave school at 9.05am prompt so we arrive on time for the Pirate Ship.

LUNCH MENUS

Weekly menu's are sent home with children, please return them by Wednesday of the week before the menu date along with payment if appropriate, Meals are priced at £2.30 per day or £11.50 per week. **We are unable to change the meal options on the day so please ensure that you are aware of your child's meal choices. Thank you**

SCOOTER SHED - KS2

Many children are coming to school on their scooters. We have a scooter shed for these to be stored in at the front of the Mobile at the Junior site which is locked during the day, please make sure that your child puts their scooter in the locked shed and NOT in the bike store. Thank you

BIKE SHELTER KS1

Due to the preparation in moving to the New School, the Bike shelter at KS1 is not available until we move. If your child comes to school on a bike, you are more than welcome to take this to be stored at KS2 during the day. Thank you

AFTER SCHOOL CLUBS

We will be starting our after-school clubs again next week. Should your KS2 child wish to join any of these activities, please return the permission forms and remember to note your correct emergency contact information, any relevant medical information. **New forms are required even if your child has attended previously.**

PARKING

We have had several complaints recently from parents/carers dropping off and collecting children from our school. Please be considerate and not block off drives, park on corners and zig zag lines. This is illegal as well as a safety issue. Residents are complaining that they cannot access their property due to the volume of vehicles. Thank you for your co-operation.

SMOKING

Smoking, e-cigarettes and vapes are not permitted on the School grounds. Thank you

FOOTBALL KIT

We are pleased to announce that we have raised enough money through sales of ice-pops to purchase a new football kit for the girls team. Thank you to everyone who has helped us in buying and selling ice-pops.

MISSING KIT

We have not had returned our football kit with number "10". If your child has played for the School team last year, please check at home, we are also missing 5 $\frac{1}{2}$ pairs of socks (one missing from a pair) again, please check at home. The socks are plain black so may easily have been mixed up with your child's own football socks. Please return these to School ASAP as we have worked hard to raise money for the original kit, we are short without this. Thank you

FRIENDS OF BEVERLEY ST NICHOLAS

The Friends of Beverley St Nicholas have a Facebook page. This is updated with news and reminders for upcoming events and activities running in school. If you have a Facebook page, please "friend request" to help keep up to date.

The next meeting will be held at 5pm at the Junior Site. New members welcome!

SWIMMING

Class 3V will be starting swimming lessons next week. A letter has been sent out with details of what your child needs to bring with them. If you do not have a copy, please ask at the Junior Office. The swimming lessons will take place during the afternoon and run for 10 weeks.

BREAKFAST CLUB

Between 8.15 - 8.45am children may attend our breakfast club which is held in the mobile on the Junior site. Children who attend are given cereal, toast, fruit and juice of their choice. If you would like to book a place for your child, please request a booking form from either office. Prices are £2.50 per child, per session. Any child who attends KS1 will be taken across tin time for registration by a member of staff.

BIKE LIBRARY

On Friday 22nd September R-EVOLUTION will be in school on the Junior site from 8.30am. They are asking for anyone who has a bike from the Library to bring this in for servicing as well as giving you the opportunity to borrow a bike from the Bike Library. If you have an old bike that you or your child no longer use and are willing to donate, please bring this along. **They may be able to help in small repairs to any bikes come along and ask!!**

PLAYGROUND SAFETY

Please can we remind parents/carers that riding bikes and scooters on the either playground is dangerous. Please dismount as you enter the gates. We also ask that children are supervised whilst on the playground. Thank you
